The diagram illustrates a flow where two separate connection functions on the left point to a single assignment function on the right. The left side contains two white rectangular boxes with black borders. The top box contains the text 'widget.MainWidget.connect WidgetsToBinarySenders' and the bottom box contains 'widget.MainWidget.connect WidgetsToMIDIEvent'. Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box with a black border on the right. This gray box contains the text 'widget.MainWidget.assign MouseReleaseEvent'.
