

CommandSet

```
classDiagram
    class CommandSet
    class CommandSetModular_MidiConfigurationHandler["CommandSetModular.MidiConfigurationHandler"]
    CommandSetModular_MidiConfigurationHandler --|> CommandSet
```

The diagram illustrates a generalization relationship. A light gray box labeled 'CommandSet' is at the top. Below it is a darker gray box labeled 'CommandSetModular.MidiConfigurationHandler'. A blue arrow points from the top of the lower box to the bottom of the upper box, indicating that the lower class inherits from or specializes the upper class.
