

handleControlBoxReturnData

```
graph LR; A[handleControlBoxReturnData] --> B[updateAverages]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box, on the left, is filled with a dark gray color and contains the text 'handleControlBoxReturnData'. A blue arrow points from the right side of this box to the left side of a second box. The second box, on the right, is white with a black border and contains the text 'updateAverages'.

updateAverages
