

setMIDICATCommands

setMIDIPATCommands

setMIDIPBCommands

selectSendDestinationAnd
Ratio

```
graph LR; A[setMIDICATCommands] --> D[selectSendDestinationAnd Ratio]; B[setMIDIPATCommands] --> D; C[setMIDIPBCommands] --> D;
```

The diagram illustrates a flow where three distinct command sets—setMIDICATCommands, setMIDIPATCommands, and setMIDIPBCommands—each contribute to a single selection process. This process, labeled 'selectSendDestinationAnd Ratio', is represented by a gray box on the right. Three blue arrows originate from the right side of each 'set' box and point directly to the left side of the gray box, indicating that each command set is a factor in the selection.
