

farconfig.serialWidget.Serial
Widget.checkBoxFilterCommAckToggled

```
graph LR; A[farconfig.serialWidget.SerialWidget.checkBoxFilterCommAckToggled] --> B[farconfig.serialWidget.SerialWidget.setReportFeedback]
```

A diagram showing a call from a widget to a method. On the left, a gray box contains the text 'farconfig.serialWidget.SerialWidget.checkBoxFilterCommAckToggled'. A blue arrow points from this box to a white box on the right. The white box contains the text 'farconfig.serialWidget.SerialWidget.setReportFeedback'.
