

rankVerticalPreferenceUntilDone

```
graph LR; A[rankVerticalPreferenceUntilDone] --> B[rankVerticalPreference]; B --> B;
```

The diagram illustrates a process flow. It begins with a white rectangular box containing the text 'rankVerticalPreferenceUntilDone'. A straight blue arrow points from this box to a second, gray rectangular box containing the text 'rankVerticalPreference'. Above the gray box, a curved blue arrow starts and ends at the same box, indicating a self-loop or a continuous state.
